Immediate Area Map

At the very end of the M56 the road splits and you can either turn off on to the M60 or continue on the A5103.

Turn onto the M60 and keep in the left hand lane

After a few miles the left lane forks off and becomes the A56 (this is signposted just before with 'keep in lane' signs).

Follow the road round to the right – keeping in the middle lane which is marked MCR. You'll go through 2 sets of traffic lights before you come to the roundabout.

Go right following signs for Manchester City Centre and Stretford and The Quays and Old Trafford Cricket Ground.

Stay in the left lane until you get up to the Honda garage on the left and the Vauxhall garage on the right then move over into the right hand lane.

There are a few sets of traffic lights - Keep going straight on past signs for White City Retail Park.

You'll see the Lancaster Audi garage on the right – you need to turn right there (across the dual carriageway).

Go through 2 sets of traffic lights turning left at the top of the road.

Keep going straight on past West Point (building on right) and at the next set of traffic lights turn left into Empress Street.

At the next junction turn right into Hadfield Street, and then turn right again into Albert Street and the entrance to Empress Buildings/car parking.
